Career Objective

I am a motivated chef with 10 years of reliable experience in preparing various international cuisines (Iranian, Mediterranean, French, Italian, Chinese and Japanese, fast food, baking various breads and cakes and pastries, making various soups, preparing different salads, making various sauces) and maintaining a safe and efficient kitchen environment. Skilled in creating special menus while ensuring that all stations are set up before service time. I have a notable history of managing cleanliness and kitchen hygiene. Possessing strong leadership qualities and the ability to inspire kitchen teams to deliver truly amazing results.
